St. Patrick's Day is a festive occasion that honors the culture and traditions of Ireland. It's a day when people often dress in green

clothes, display $s + \text{hat} = m + \text{lock} = r + s$ and

$\text{sun} = b + \text{ring} = t$

, and even wear $g + \text{store} = \text{sto}$ yen

s $\text{horn} = \text{rn}$ $\text{fries} = \text{fri}$ to celebrate. Some people

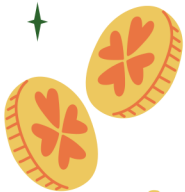

believe that $l + \text{ear} = p + e + \text{chat} = u + \text{ny} = s$,

mischievous little beings, hide pots

of $\text{golf} = f = d$ $\text{corn} = r = i + s$ at the end of

$\text{rain} = \text{c} = b + s$, adding to the magic and

mystery of this special day.
